

# Working with Teenagers/Young Adults with Cancer

## A One day Learning Event

### Aim;

To create a face to face learning opportunity for health and social care professionals new to, and increasingly working with teenagers/young adults (TYA's) with cancer.

### Who should attend:

Those working within varied health and social care/voluntary settings who work with TYA's with cancer in a professional role such as hospital and hospice staff/volunteers, outpatient staff, social workers, youth workers. Delegates from designated centres are particularly invited to apply.

### Delegates will:

Be given a CPD Certificate of Attendance

Be provided with lunch

Network, share ideas and learn about what's available locally and nationally to support them and the patients they care for.

### Topics covered on the day:

- o Adolescent development and impact of cancer on this
- o Overview of Teenager/Young Adult Cancers
- o Impact of Cancer on the TYA with Cancer/ family/friends

Teenage Cancer Trust is a registered charity: 1062559 (England & Wales); SC039757 (Scotland)

### Date, Time, Location
